## CAMP DESCRIPTIONS

### COACH RYAN BOROWICZ

Ryan Borowicz's mission is to influence kids to become the best version of themselves, on and off the court. At each camp, Ryan will share life lessons through the lens of basketball and his experiences on and off the court. Ryan had a decorated career at Ashwaubenon High School and went on to play Division 1 basketball at UW-Green Bay, where he was one of the top 3 point shooters in the country. Ryan has worked with over 40,000 kids over the past 15 years of running camps and trainings.

### COACH TY KETZ

Ty Ketz attended Clayton High School where he was an all-state point guard. He attended Ripon College where he scored 1,000+ points, is the all-time leader in free throw percentage, and shot a career 40+% from the three point line. Since graduation, Ty has accumulated six years of experience coaching girls and boys at the high school level as an assistant and a head coach, and as an assistant at the college level. Ty has trained 1,000's of kids of all ages and skill levels ranging from elementary school to professional athletes both boys and girls.

#### NEXT LEVEL GUARD CAMP

*Duration: 16 hours over three days; Cost: \$289*

The NLGC is a competition based camp, focused on guard play, where we "draft" the players equally so there shouldn't be one dominant team as the talent is spread out over the teams through the draft process. The learning in this camp takes place in game situations and after each game players go upstairs and watch video of their game with Coach Ryan as he breaks down all aspects of the game.

#### SKILL DEVELOPMENT CAMP

*Duration: 4 hours on one day; Cost: \$99*

This camp will focus on overall offensive skill development. Ball handling, passing, shooting, footwork, body positioning, reading the defense, and more! Kids will play 3 on 3 to work on what they're learning in a game context, but the focus will be on their individual skill development.

#### SHOOTING CAMP

*Duration: 4 hours on one day; Cost: \$99*

This camp will cover every aspect of shooting, including: footwork, body and hand position, and effective shooting mechanics. We will also train our shot through innovative and challenging drills, as well as use video to analyze what we need to work on.

#### ADVANCED SHOOTING CAMP

*Duration: 4 hours on one day; Cost: \$139*

Offered for 7th-12th Graders and they take the focus points of the Shooting Camp to the next level. They are NOT coed and have a smaller number of participants to allow for more individualized focus.

#### ATTACK THE RIM CAMP

*Duration: 4 hours on one day; Cost: \$99*

This camp challenges players to be a threat every time they touch the ball. Players will work on body position on the catch, utilizing fakes creatively and effectively, attacking off the dribble, understanding angles and when to change your attack line, and attacking in transition. Kids will play 1 on 1, 2 on 2, and 3 on 3 to work on what they're learning in a game context.

#### ADVANCED ATTACKING CAMP

*Duration: 4 hours on one day; Cost: \$139*

Offered for 7th-12th Graders and they take the focus points of the Attack the Rim Camp to the next level. They are NOT coed and have a smaller number of participants to allow for more individualized focus.

- Every kid will receive a t-shirt upon arriving at their first camp of the summer
- If a kid signs up for AND attends the four types of camps (Shooting, Attacking, Finishing, Essential Guard Skills) they will receive a FREE Driveway Hoodie at the end of the summer!

## FINISHING CAMP

**Duration: 4 hours on one day; Cost: \$99**

Doesn't do any good to get to the rim if you can't FINISH!! Our Finishing Camp will be highlighting techniques and mechanics to finishing as well as decision-making against primary and secondary defenders. Various finishing situations will be covered from finishing from a perimeter drive to post-up opportunities via the dribble as well as a focus of finishing against length/size. Proper progressions will be taught "on air" to make sure we're executing finishes correctly all the way to finishing against live defenders and game-speed decisions.

## ESSENTIAL GUARD SKILLS CAMP

**Duration: 4 hours on one day; Cost: \$99**

Focus areas of this camp include topics such as: Passing the ball in the full and half court, handling the ball against a closely guarded defender, decision-making in common situations/scenarios, ball screen options, and more. Not only will we be spending time on the "what" to do, but also the "how", "why", "where", and "when" of our skills in game situations. This camp is designed to help you improve at the things you do THE MOST in a game...not the things that look cool on Instagram that you never actually use in a game!
